## COVID 19 – DISCLAIMER Members of Broughty Bowling Club

Broughty Bowling Club has a responsibility to ensure the safety of club members entering the club grounds and using the clubhouse, green and facilities.

The Management Committee is also responsible for ensuring that everyone using the club and facilities comply with the Scottish Government Guidance and Bowls Scotland Guidance in respect of Covid 19.

The club has prepared Risk Assessments in respect of opening the green, playing bowls and using the club facilities. The Risk Assessments cover a range of measures intended to make the playing of bowls and using the limited facilities as safe as possible. It must be remembered that Covid 19 remains an extremely contagious disease which requires strict social distancing.

The Management Committee has produced ‘Guidance for Members’ which must be adhered to. Any member who feels they are unable to comply with the guidance for any reason, should not attend the club.

### Declaration

By signing this disclaimer,

- I agree to abide by all Covid 19 Rules and Guidance issued by Broughty Bowling Club.
- I also accept that attending Broughty Club to play bowls is at my own risk.
