COST - £5 per Team

RULES

All games will consist of 6 ends.

No trial ends.

Burnt ends count as an end played except for the last end which can be replayed.

The scoring will be 2 points for a win and 1 point for a draw.

The winner of each section will go forward to the semi- finals.

Section A Winners v Section B Winners.

Section C Winners v Section D Winners.

The winners of the semi- final will compete in the final
(There will be no play off for 3rd and 4th places).

In the event of a tie at the end of the section stage the team with the greatest shots difference will be the winner. If the shots difference is the same then the winner of the section game between the two teams will proceed and if this does not declare a winner the two teams will play one end with each player playing one bowl, the winner then going forward to the semi- final.

Should a team withdraw during the tournament then all scores pertaining to that team will be removed.

In the event of a tie in the semi-final or final - one extra full end will be played.
